Dr. Charles (Chip) Fletcher

Charles Fletcher is the Associate Dean for Academic Affairs and Professor of Earth Sciences in the School of Ocean and Earth Sciences and Technology at the University of Hawai'i at Manoa. He is also Chairperson of the Honolulu Climate Change Commission, and author of three textbooks on 1) Physical Geology, 2) Climate Change, and 3) Geologic Hazards in Hawai'i. Chip and his students have published over 120 peer-reviewed articles on Pleistocene and Holocene reef history, beach processes, and the impacts of sea level rise.
